Roads, Ferries and Bridges
Temperance
Military
Finance

Dear "Sweetest" Tuesday Morn -

I am not going to get this off in time for you to get it this morning. I hear the train leaving and now. I intended to mail an hour ago but had an engagement with H. J. Evans which I suppose will be the last one as the house will close the business act tomorrow.

It is still cold here but not as cold as last night. Down to 15°. This morning I hoped some one say - I know you feel cold and am sorry I could not help it.

We have about played out of anything sensational - and are just grinding away on routine affairs. I am of the opinion that there are no more wheels to be run away from here.

There is some reorganization work that could be accomplished. but the general opinion is that Gov. is going to sue in his term. and pursue on his faction "me" to adjourn as soon as possible, "quite

I have not had time to look for "Sunny Bay" globe but am going to try to find it tomorrow.

Sen. is informed me he said the land commission and that he (the Com.) talked very favorable, will press the matter further when and if the measure passes the house.

If it gets any farther maybe you could arrange for your Sec. & Bear to sleep together, with Sec in the "middle" Bear could keep a line on him I should think you might mention it to her.

I know you have noticed in the papers
but the rain in central Miss. was terrific
Sun. all streams in this country are
level full and some out the
wind here was very high but no
serious damage like other parts

I saw Geo. & S. Mabry at the Capital
today also Geo. Taylor but don't know what
they wanted - they left out about noon.

I am shy of news - so had just as
well quit - you see your trip in the
event it is a quibble and not Providenceally
hindered -

Love as y^e "Yore" to all
with good nite sail - from
"Daddy"
